Overall Property Description:

This unique 60± acre property south of Carrollton offers a fantastic combination of comfortable residential space, outdoor recreational opportunities, and income potential, all in a private country setting near Leesville and Atwood lakes. With frontage on two roads, no zoning restrictions, a stocked pond, picnic pavilion, two garages, creek, wooded acreage, hidden fields, and abundant deer sign, this property provides endless possibilities that appeal to just about anyone interested in rural land.

The 1,848 square foot ranch style home features three bedrooms and two full bathrooms, both with walk-in tile showers. The large great room is a standout feature, offering tons of natural light and a wood-burning stove that creates a comfortable gathering space that flows out onto a multi-level composite deck overlooking the pond. Large closets throughout the home provide plenty of storage, while the kitchen is equipped with stainless Frigidaire Professional appliances and solid surface countertops, providing a functional space for both everyday use and entertaining.

The property also includes a 50x 25 garage with an attached in-law suite providing additional living space for guests or multi-generational arrangements. As an added bonus, a partially finished upstairs area and full bathroom provide additional space that could be used for storage, recreation, a home office, or other needs.

Take a quick walk to explore the rest of the property, and you will find numerous elements that make it well-suited for recreational pursuits. A one-acre stocked pond offers great fishing and is overlooked by a picnic pavilion that provides a place to host cookouts with friends and family. Multiple hidden fields create ideal locations for food plots and complement the destination ag fields and surrounding bedding areas that are home to strong deer and turkey populations. The acreage is bordered by larger parcels, adding to the surrounding rural setting and creating additional habitat for wildlife.

The property is located just seven miles from Leesville Lake and 12 miles from Atwood Lake, offering access to over 5,000 acres of public hunting and fishing, and would make a great home base to explore the surrounding outdoor recreational opportunities or a short-term rental for those traveling to the area.

For those interested in a more investment-minded approach, the property has over 20 acres of tillable ground providing existing cash rent from a local farmer. Most notably, all sellers' oil/gas/mineral rights are also available, subject to existing leases. The combination of open ground, wooded areas, water, and surrounding larger parcels creates a diverse property with multiple potential uses. With frontage on two roads and no zoning, buyers have the flexibility to explore the property's full potential to fit their needs, subject to applicable laws, regulations, and permits.
